

ACS Reassessment

Introduction

Our reassessment package has been designed to make your experience as easy as it can be. We give you real training and the assessment process is exactly that, we are not here to trick you or catch you out.

The centre is a friendly family run place that care about you and you getting the qualifications needed, however we do not give them away, you must earn them.

If there is time for booking to attending, we will send oOut the course info and manuals with a list of things to start reading up on including the newest copy of the GIUSP.

The Course and Duration

The course is based on three days with a fourth available at no extra cost if needed, the start times are 8:30 am for an 8:45 start till 4:30pmeach day attending

Day 1: Covers Theory training with time for some practical brush ups you want them and then starting the papers.

Day 2: Covers a mix of both practical and theory exams.

Day 3: Finish both practical and theory exams

Day 4: This is for candidates who are completing extra elements such as: Ckr 1/ Htr 1 etc or if you need extra time.

Industry and Training Changes

Not sure if you know this but gas safe are pushing for engineers to undertake a 1 day continued professional development training each year on top of the 5-year reassessment turn around... We have come up with a plan!

We now have a loyalty club, meaning once you have completed your ACS reassessments you can join. So, what is it then?

- Firstly, your next reassessment is paid for before it gets here on a monthly payment scheme
- You get a 1-day training session each year in centre for your CPD
- Discounts on selected suppliers over normal trade prices, example: free filter when buying a boiler kit
- Free quarterly evening sessions with manufacturers such as: press fit/ underfloor heating/ Kane analysers/ Fernox filters etc... **we even get in pizza's and they throw in some freebies**
- Monthly newsletter with industry information and changes, Gas safety info, special merchant discounts etc
- You can undertake your reassessment 1 day a month 6 month before your qualification expires saving you taking a week off in one go
- No annual price rise meaning our price in five years will be cheaper than what some centres are charging now

All this for just £18.50 a month over 54 months, Ask a member of the team for more info.

Regards

John
