

HWSS – Hot Water Systems and Safety **Reassessment**

Why...

G3 / Unvented originally was a qualification for life but some years back was changed to the 5-year reassessment program, this was of course due to a few but not many changes within the standard and requirements, the qualification now covers Hot water in general including open vent systems.

Who...

This course is for industry professionals that hold and existing older or previous qualification that is due to expire or has already expired

Requirements...

Hot water systems must be registered with the local building control as part of the building regulations, this can be done through a competence person scheme or direct with your local building control office

Duration...

Half day covering class room and practical revision training, with half day theory paper exams only
